

EMBARK ON A COURSE TO SUCCESS WITH US:

AIDA is a unique way of life – for our guests and our crew. As number one in the German-speaking cruise market, we are part of the Costa Group, Europe's most successful cruise company. Our fleet is one of the most modern worldwide. With our new construction program, in particular, we set new standards in terms of innovation, diversity and environmental friendliness. We offer first-class career opportunities for professionals and management staff at sea and on land.

Become part of the AIDA family! We are looking for you to begin as soon as possible as:

MANAGER WAREHOUSE ADMINISTRATION & SYSTEMS (M/F/D)

Your chartered goal:

- Creating and processing bookings in the inventory management system CrunchTime
- Responsible for the onboard system and user administration for the inventory management system
- Creating analyses and reports (for the ships)
- Creating travel expense reports
- Planning, implementing and monitoring inventories
- Responsible for system interfaces with POS systems
- Coordinating between the departments on shore and the management on board

Your previous ports of call:

- Vocational training as a management assistant in hotel and hospitality, or business management assistant, ideally in hotel business administration
- Verifiable professional experience, ideally also experience in controlling
- Experience with inventory management systems or POS systems is desirable (ideally CrunchTime, Micros or MXP POS)
- Experience in the passenger ship industry
- Ideally, knowledge of HACCP or USPH
- Fluent in German, very good English skills and a good knowledge of MS Office, particularly Excel
- Analytical skills, a sense of responsibility, assertiveness and professionalism

Take your career to new places with us! We look forward to receiving your complete application submitted online at www.aida.de/careers.
