People, Places, Passion, Profit - A selection of our core values that reflects our Odyssey Hotel Group to the point. We count ourselves among the fastest growing hotel operators on the European market and we want to continue this path successfully and, above all, together with our employees!

We are a relatively young company, which has its origins in the Netherlands in 2012 and concentrates on international hotel business.

Strategically cleverly aligned and staffed courageously with a lot of expertise from the housekeeper to the CEO, from the house technician to the financial controller and to all persons in operations - we give our employees a face and a voice that is heard - and no number.

With forward-looking hotel projects and brands such as Moxy, AC, Delta, Tribute, Autograph Collection and many more under the Marriott flag we are expanding in Germany, the Netherlands, Finland, Poland, Austria and Slovenia. Therefore, we are always looking for highly motivated characters with a meaningful personality and a "hands-on" mentality!

For our historical Schloss Lieser we are seeking an experienced, friendly, professional, well-organized and dynamic General Manager to join our growing team.

A General Manager within Odyssey Hotel Group is responsible for managing the Hotel Team by creating a positive work environment in line with the Odyssey Core Values and overall Hotel targets to deliver an excellent Guest experience. A General Manager would also be required to manage profitability and guest satisfaction measures.

General Manager (m/w/d) Pre-Opening **based in Lieser (Mosel region)**
