

Internship possibilities

HMSHost International is part of Autogrill spA, one of the world's most leading companies in the food and hospitality industry. We are located at airports and train stations and we exploit many famous brands like Starbucks, Burger King and La Place. We also have our own concepts, such as Café Chocolate, Grand Café Palace, Harvest Market, Bread!, East bar & Bites, Park Café, Dutch Kitchen & Bar and Bubbles Seafood & Wine Bar. These selling points variate from self-service and counter service to full service.

HMSHost Schiphol, HMSHost The Netherlands and HMSHost International offer many opportunities for internships. These internships can either be on operational or management level. Most of the internships are located at airports. For the Netherlands we offer possibilities at airports and train stations.

We offer internship possibilities in The Netherlands, Vietnam, Malaysia, Bali, Middle East, Ireland, Finland and Norway.
