

Internship Recruitment – Business Unit Northern Europe

Who are we?

NH Hotel Group is an international hotel chain with 400 hotels in 30 countries.

The headquarters of NH Hotel Group Worldwide is located in Madrid. NH Hotel Group is divided into six Business Units (BU). The headquarters (Central Services) of our BU is in Hoofddorp.

Our BU is responsible for all the hotels in Northern Europe and is working supporting for all the hotels in the Netherlands, Belgium, Germany and South Africa.

Do you want an internship at the headquarters of NH Hotel Group? That is possible! The Human Resources Department for Business Unit 'Northern Europe' we have room for a Trainee Recruitment (M / F).

Who are you?

The ideal candidate is enterprising and is capable to work independent and in a team. You can multitask, are pro-active, enthusiastic and eager to learn.

You are able to give advice to the Hotel Directors in our business unit and makes sure everything in terms of recruitment is perfect in order. You are a HBO + / university student and has an excellent command of Dutch and English.

What are you going to do?

Recruitment is part of the Human Resources department. The department is engaged in the recruitment and selection of candidates for the hotels in the Netherlands, Belgium, Luxembourg, Germany, South Africa and Central Services. In addition, the Recruitment Division is engaged in several projects, among other things, increasing the awareness of NH Hotel Group as an employer on the international labor market.

An internship in this section is a versatile placement in which you usually work independently and together with the recruiter. You are the first contact for Hotel Directors, department heads and applicants. In addition to administrative tasks, you also get the opportunity at this stage to be involved in the development of our recruitment activities and professionalize our department.

Generally, you will:

- Work together with the Recruitment Manager on the strategy of recruitment and Employer branding.
- Be involved in different projects in regards to Employer Branding
- Assist the HR Recruitment Manager to lift the department to a higher level
- Be responsible for all the communication in regards to internships and vacancies within the NH Hotel Group
- Representing NH Hotel Group at various Hotel Management Schools and at network events
- You are involved in social collaborations

What do we offer?

We understand that people make the difference and this is showing in our excellent conditions of employment that we offer to our employees, aside from an exciting career within the dynamic hospitality industry!

Aside from the gross amount of €500,- per month, the NH Hotel Group offers the following benefits to its trainees;

- Special employee rate: to stay in NH Hotels worldwide!
- NH University: excellent trainings and international development possibilities
- Invite your family and friends with discount in our Hotels.
- Good career opportunities!
