

mise en place

WORKING AT MISE EN PLACE

Mise en Place is internationally leading in the supply of high quality hospitality staff with over 25 years of experience. On a daily basis, we create the perfect match between thousands of young talents and many private caterers, luxury hotels, fine dining restaurants, football stadiums, congress centres and event venues.

But we are so much more than just your average hospitality agency! We believe in preparing our talents for their future. So, at Mise en Place you don't just find a job – you choose to find a career. The chance to do the kind of work that adds up to something meaningful. The opportunity to challenge yourself, take responsibility and learn new skills. Being surrounded by hospitable, ambitious and inspiring people, day-in and day-out. That's the kind of work you can expect to do at Mise en Place. Sounds good? Then join us in making friends and creating synergy!

WE'LL RESPOND WITHIN 2 WORKING DAYS!**

STUDENT JOB

Choose your own working hours and work at the most varied and exciting events throughout the year! Can't decide what to do or prefer a certain type of branche? We offer jobs in the service, kitchen, events and logistic branch. Take your pick! Excellent salary with ability to grow and increase wages within 3 months! You will work within a young, dynamic team and become a member of our great international community, granting you access to an abundance of fun and exciting trainings & workshops. Don't miss out on the after work drinks #weworkwithfriends.

PROJECT MANAGER

Taking it to the next level? Become an expert on operational and tactical level at one of our offices. Together with your colleagues, the project managers on the work floor and the regional manager, you are responsible for matching the jobper (our employees) with the right projects, taking care of the development of your colleagues and handle the administrative backside of the office. Gain valuable management experience on a full-time basis and take the first steps towards your next challenge: becoming responsible for the entire office as Operational Manager.

INTERNSHIPS

Want to experience what it means to manage an international hospitality organisation? Ask us about internship possibilities at our international Support Office in Maastricht, ranging from working with finance and legal services to HR and marketing teams.
