

Digital Campus: Marketing Intern

Are you ready to make an impact and work for a company that makes the world cleaner, safer, and healthier looking through digital lens? Ecolab is seeking brilliant final year students or recent graduates for the ECOLAB DIGITAL CAMPUS, offering internship opportunities in our divisions and functions to support a new digital approach and culture. Ecolab, in response to new business challenges, is looking for skills to develop new digital way of thinking, to troubleshoot better and faster and to improve the customer experience.

What's in it for you:

- The opportunity to take on some of the world's most meaningful challenges, helping customers achieve clean water, safe food, and healthy environments.
- Learn from highly energetic and experienced professionals who will help develop your skills and competencies.
- Be part of a fast-paced, dynamic, and international team.
- 6 months paid internship with potential further opportunities.

What You Will Do:

During the program you will get to work on projects that cover digital support to our teams in Sales and Marketing.

After an initial training period and with the support of a tutor and a team, you will be involved in key projects driving real impact on the business using advanced digital tools within different teams.

Minimum Qualifications:

- Bachelor/master's degree in Business, Marketing or Digital Marketing.
- Fluency in English; Spanish and any other European language is a plus.
- Strong Digital Skills and passion for data/technology.
- Strong knowledge of MS Office.
- Be dynamic, proactive, and autonomous, with the desire to learn and make a difference.
- Possess good analytical skills and innovative thinking, with the drive to succeed.
- Available for a full-time internship and eligible to sign University Agreement with University.

Preferred Qualifications

- Recent work experience or internship in a digital-related department
- Hands-on experience with Marketing digital tools is a plus
